

2026 Merit-based Incentive Payment System (MIPS) Promoting Interoperability Performance Category Data Validation Criteria Changes

Promoting Interoperability Measure ID	Promoting Interoperability Measure Title	V1_2026
General	N/A	• Changed date in all header cells and as appropriate throughout the document from 2024 to 2025. • Updated reporting requirement header to include "Yes" option only when associated with an exclusion or level of engagement. • Included the link to the Promoting Interoperability measure specifications and fact sheets zip file in the validation column.
General	N/A	• Moved the following language from each suggested documentation cell to a header cell and placed an asterisk where such information is applicable. "When reports and screenshots are used as documentation to support the measure, they should be dated within the calendar year of the MIPS performance period and should include evidence to support that it was generated for that clinician's system (e.g., identified by National Provider Identifier (NPI), Centers for Medicare & Medicaid Services (CMS) Certification Number (CCN), clinician name, practice name, etc.)."
